FACING UP TO CANCER IN MEN

39th Annual All-Ireland Football Seven-A-Side Championship

A Chara,

We wish to thank you for your completed entry for this competition.

We enclose:-

- a) Competition Draw
- b) Location map for various venues

You should check in at your appointed venue St. Olafs before 10.30am on Saturday 17th September 2011. Teams who fail to field at the appointed times will concede a walk-over subject to the discretion of the organising committee.

At check-in you will receive a complimentary gift package, O'Neills Sports and Leisurewear.

To ensure equality of competition in all groups, it is essential that all teams turn up on the day. If you are unable to travel due to unforeseen circumstances please phone the undersigned on 087-698 1031.

We ask all players to continue to use the same numbered jersey throughout the day. This number should be the number 1 to 10 allocated to the player on the team list submitted before your first game.

A hot meal will be provided for your party of twelve. You will receive your meal tickets and be notified of your meal time when your participation in the competition is concluded. It is essential you attend for your meal at your appointed time and we regret it will not be possible to accommodate those who fail to do so.

Players and mentors who wish to have free entry to the concluding stage of the competition must receive a "free entry stamp" when they present their meal tickets. The presentation banquet for the finalists will be held at 8.00pm

We wish your club success in the all-Ireland 7's competition and an enjoyable All-Ireland weekend in Dublin.

Is Mise,

Marcus Ó Buachalla
Teams Secretary,
